

Botin 65 - King Marine

General	Reference ID	Beam (mtr)
Sailing yacht BOTIN 65, which is completed on the Spanish shipyard King Marine late 2015, was originally conceived as a 65-foot performance racer/cruiser. As the basis was taken a successful project of another sailing yacht - CARO.	254	5.20 Meters
The 65-foot sailing yacht BOTIN 65 is a truly unique symbiosis of 100% racing yacht with a functional, yet stylishly designed interior that can confidently claim to be a new standard in the world of race-cruisers in the range of 60-70 feet . Thus, it represents a unique opportunity for the most sophisticated and discerning yachtsmen to purchase a brand new, stylish and fastest sailing yacht in the world without waiting for a delivery period of 18 months.	Builder / Designer Botin	Material Carbon
During winter 2016 the yacht passed intensive preparation for races, including the mast configuration and rigging setup, optimization of sail control process, making new sails chart, etc. The yacht perfect in operation of sails and have stable heading for any wind. Very easily goes to hydroplaning after 10 knots. On reaching at 25-27 knots boat picks up speed of 20-22.	Model 65	Designer Botin
	Year 2015
