Oceantec 40 by Humphreys

General

A rare opportunity to buy a competitive Humphreys designed 40ft cruiser racer at an attractive price for the 2018 racing season! After a successful launch of the prototype in summer 2017, the Hull #2 is now available for early summer 2018 delivery. The hull #2 is built to a "luxury racer" finish in carbon / glass / Vinylester infusion throughout, including all interior units to achieve an extraordinary structural integrity and exceptional displacement / ballast ratio at the same time.

Deck layout, equipment, ORC / IRC optimisation and interior customization are possible.

More info of the design:

Reference ID

326

Builder / Designer

Oceantec 40

Model

40

Designer

Humphreys

Year

2018

Displacement (Kg)

5920

Beam (mtr)

3.80 Meters

Material

Vinylester

Engine

Yanmar B-20 engine control panel

Electronics and Navigational Gear

- Engine Yanmar 3YM30C
- Saildrive SD25,
- Alternator 12V ; 125A
- 2-blade Flexofold race propeller
- Removable engine box with 20mm sound proofing
