Description

Introducing the Ecoracer One Design 30 – the world's first monotype sailboat crafted from recyclable materials using groundbreaking rComposites technology by Northern Light Composites.

Easy to transport by 40ft cube container.

Designed by Matteo Polli, this innovative hull combines easy planing capabilities with effortless handling, all while adhering to ORC regulations. Featuring rComposite® technology, this model utilizes a thermoplastic matrix paired with lightweight carbon fibers for superior performance, and a linen-fiber cockpit for added sustainability.

Equipped with a One Sails sail set, carbon mast, aluminum boom, and Dyform rigging, the Ecoracer One Design 30 also boasts a cork anti-skid cockpit and a Mercury 6hp outboard engine.

In excellent condition, she will be available from October 2024.

Measurements:

Main Area 35.5mq

Jib Area 25.0mq

Asy Area 105mq

I G 12.15m

J 3.60m

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
