## **Description**

This NEEL 43 'Anegada' is the quintessential multihull for a small family or cruising couple that wishes to accommodate friends on the high seas. Its innovative layout is unique and very accommodating and more importantly, fun to sail!

Enjoy unparalleled performance and smoother sailing experiences thanks to the Neel 43's generous beam, which significantly reduces dramatic motions at sea. All lines leading to the helm and the electric winch allows the skipper to sail single-handed, allowing guests to relax and enjoy the ride. Its contemporary lines and thoughtfully designed deck layout offers easy maneuverability around the deck space and a spacious cockpit with ample seating, creating an ideal outdoor living space.

Open the triple sliding door/windows to create what is known as the "Cockloot" (a seamless blend of saloon and cockpit), creates an inviting area and a fully equipped kitchen, that will ensure all the comforts of home while captivating any seasoned sailor. The 'on-deck owner's suite' offers panoramic views and expansive living space that surpasses not only monohulls but also most catamarans on the market. This Neel 43 comes fully equipped with everything you need for your cruising adventures is already onboard. Don't miss out on the opportunity to own this exceptional vessel, already located in the British Virgin Islands, one of the best cruising destinations in the world. Contact us for more details or to arrange a viewing. Adventure awaits!

## Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
