Description

This 2023 Neel 43 Trimaran boasts a sleek, modern design that offers exceptional stability, speed, and a superior sailing experience.

Perfect for adventurous sailors and families alike, this versatile vessel is already located in the Caribbean, ready to embark on your next journey.

> An exceptional opportunity to purchase a like-new NEEL 43, fully equipped and ready to sail—without the wait at the shipyard, and at a competitive price of 570.000 USD.

Owners comments

After being purchased new in late 2023, she made her maiden voyage across the Atlantic to the Caribbean, where she briefly joined a charter fleet. Completing just two charters, guests raved about her comfort and the ease of island hopping. However, with a change in the owner's plans, she was withdrawn from charter and is now available in the prime cruising grounds of Grenada.

Her shallow draft makes her ideal for exploring the Grenadines and beyond. Following her brief charter period, all systems and equipment have been meticulously serviced, ensuring she's in excellent condition.

Inside, she boasts a bright, airy salon with panoramic 360-degree views and comfortable seating for six around a spacious dining table. The seamless integration of the cockpit and salon, referred to by Neel as the "cockloon," creates an open, social space connected by large sliding doors.

Her fully equipped galley features a refrigerator, freezer, stove, and oven—perfect for extended cruising. Additional amenities include a water maker, generator, and a large portable fridge/freezer for extra storage.

She comfortably accommodates up to six guests, with a luxurious owner's suite on the main deck and two additional air-conditioned guest cabins. The salon is also air-conditioned, ensuring comfort throughout.
