Keel: Fin Keel

Rig: Sloop

Design Jason Ker Yacht Design

Construction

Yard Salthouse New Zealand

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

- Black underwatership
- Blue hull
- Rudder construction with carbon rudder stock
- Fin keel

ACCOMMODATION

- Sleeps 5 comfortably on the windward side on bunkbeds. 2 beds have a comfortable cushion
- Main working area of the interior has full standing headroom
- Large chart table with comfortable swivel seat, starboard side.
- Forward of the chart table is a large head with toilet
- Forward of the galley on the port side is an array of personal stowage bags
- Opposite the galley is a large hanging locker for wet weather gear.
- At the front of the accommodation space is a full bulkhead which can be closed off to create an isolated compartment.
- Another bulkhead at the rear of the bunk area can be similarly closed of to provide some protection against sinking in the case of a collision at sea.
- Bags for storage
- Grab rails carbon

GALLEY

- 2 burner stove with oven
- Sink unit with a cover
- Carbon worktop
- Storage in lockers and bag
- Highly efficient built-in electric coolbox/fridge.

ELECTRICS

- System voltage 12/220V
- Batteries
- Shorepower with cable

Electronics

- B&G H3000 Performance Processor
- Onboard Computer
- 19" LCD Monitor
- 3 x B&G GFD's on deck, one at Nav Station

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

- 5 x B&G 20/20 on Carbon Mast bracket
- Speed, Depth and Wind Sensors
- GPS Simrad MX500 Navigation System
- VHF DSC ICOM IC-M505
- Sailor Iridium satphone

RIGGING

- Mast Hall Spar HS40 Ultra High Modulus carbon fibre (stiffer than permitted for either Americas Cup or Volvo masts, to maximise stiffness within a highly aerodynamic section). Mast was sprayed black 2015
- Backstay system can accommodate either a single or twin backstay, depending on whether a square-head mainsail is desired.
- Boom high strength carbon cored with Nomex.
- Bowsprit
- ROD/PBO rigging (PBO Future Fibres)
- Spinnaker halyards have locks at the masthead which can be engaged offshore to prevent chafe.
- Combination track fitted to the back of the mast to allow both a bolt-rope mainsail for inshore use and a roller-car system for the offshore mainsail allowing easy reefing.

RUNNING RIGGING

- A comprehensive running rigging package is included of which all is in good race condition.

New in 2014:

- 2 jib sheets

SAILS

Entire inventory from North Sails.

2014

- Code Zero - B
- A4-D

2011

- Inshore mainsail – 3Di B SQ TOP
- Offshore mainsail – C SQ TOP
- Light jib C – 3di
- Medium C Jib – 3di
- Medium D Jib – 3di
- 3.5 ORC B
- Jib top B
- A5 A
- A1.5 A
- A2-C
- A4-C

DECK

Deck gear Harken or Spinlock

Antislip deck and cockpit

- Plinths for the helmsman that are adjustable to match the heel angle of the yacht.
- Near-Maximum beam extends right to the transom to maximise the crew's contribution to stability and a single stanchion at the aft corner allows unrestricted crew positioning right to the transom for heavy airs sailing downwind.
- Fore and Aft Jib tracks allow for unencumbered headroom inside the cabin, while a coarse-fine barber-hauler system allows correct lateral positioning of the clew.
- Fore Hatch has a pneumatic sealing system to ensure full water tightness at sea.

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

- Companionway Hatch is external to ensure complete water tightness offshore. A low profile version is used inshore and a raised version of the Hatch is fitted for offshore use.
- 2x 4 stoppers
- 2 x carbon steering wheels
- Manual bilgepump
- Cockpit bag for lines
- 2x Watertight lockers

Winches

Runner, mainsheet and cockpit winches are "handed" to allow direct rope leads without deflection.

- Primary winches with a speed ring base and are connected to a Harken Pedestal system, which incorporates an overdrive gear for rapid gybes and hoists
- Harken 50.2, Harken 50.2 LH, Harken 50.3
- Grinder Harken
- Covers for the small winches

ADDITIONAL

- Boom cover x 2
- Reef nappy's x 2; Reef strops for mast x 2
- Carbon flag pole
- Backstay for pinhead main
- Cover for mast below decks.
- Personal bags in bow area - port side x 12
- spare window for front hatch
- Floor cover for cockpit
- 6 winch handles

SAFETY

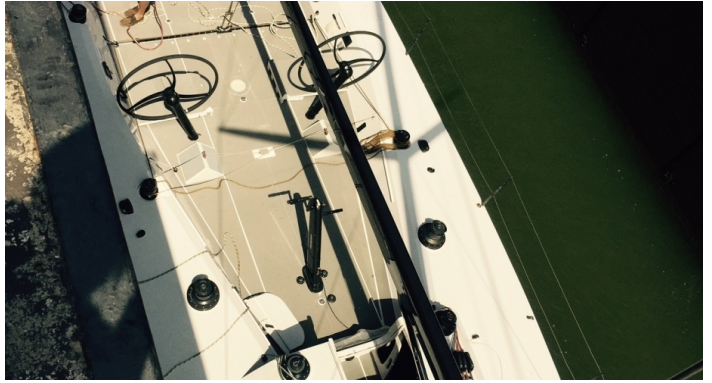

- Periscope
- Offshore hatch
- Emergency tiller
- Horseshoe + light
- Lifelines
- Gas detector

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
