Description

She is hull # 4 and is in excellent condition being maintained by a full time Captain. The Swan 42 has many functions, with being able to race under a one design format, or under IRC, or very successful under ORCi, in Europe or if so desired, take the family for a week's long jaunt.

Several new Doyle sails in 2015 to go along with the other 25 bags of sails from different years, B/G wind gear, radar, she lacks for nothing to compete either inshore or also has several specialty offshore sails.

MUTINY is an excellent option to compete at a high level under many options.

A true all around dual purpose racer/cruiser

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
