A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

"Luchtloper" is an Oyster 37 and built in 1983 by Oyster Marine in England. The design is by Holman & Pye and built in GRP under the one-ton formula (IOR).

Oyster Marine yachts are really well built and have sustainable construction and excellent quality in GRP and cell coat. The Whitlock steering wheel mechanism controls light and directly under all conditions. An emergency tiller is present.

The sailing characteristics are as you would expect from a race/cruiser. Especially upwind she is formidable.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
