A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

Well kept and ready for a new owner

The Morningstar, was delivered to and imported in the Netherlands in November 2005 from the U.S.

She is designed by the Argentinian designer German Frers. He is also the designer of some very successful and famous boats (Luna Rossa & Flyer) that competed in the America's cup and Whitbread around the world race.

The Morningstar was one of the most high tech sailing yachts competing in the Southern Ocean Racing Conference in 1984. The skipper was the 4 time champion John Kolius.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.
During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht.We hope to see you soon online or in real life for a visit on the yacht of your dreams.
