Yacht location: France

Owners comments:

For sale J/92, in excellent condition. This J/92 is a special one with many extras. The boat is suitable for serious competitive sailing or for touring. We have always made sure that the boat is in top condition. What needed to be replaced has been replaced. The boat had a refit in 2014. Everything has been off deck and balsa core has been partly replaced by a shipyard. Non-slip has been reapplied and all deck feeding are made full glass. Yearly new antifouling, last layer 2020.

Wonderfully fast sailing yacht from the famous J/Boats shipyard. If you want to sail fast with an oblique eye on the log, then the J/92 is an excellent choice. Without detracting from the sheer ease of use, comfort or safety, the J/92 combines it all. The interior is light and comfortable for sailing during the weekend, or also longer stay on board.
