## **Description**

Sun Fast 3300 in like new condition

### **INTERIOR**

Fully equipped and ready to sail, built in 2020 and with few sea trips. Better than new for price and delivery time. Possible leasing takeover. Unique opportunity.

Perfectly adapted for solo, double or crewed races, this splendid hull is competitive on both coastal and offshore courses.

### **About the SF3300:**

Taking advantage of Jeanneau's long history of infusion manufacturing, every part of the 3300 is infusion molded, dramatically reducing the all-up weight of the boat while increasing stiffness. Combining the light hull with twin rudders, carbon rig, generous sail plan, and straight keel, the 3300 will excel as an offshore racer. Sailing fully crewed, double, or single handed, the newest Sun Fast is a truly exhilarating boat, not to be missed.
