This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

TP52 built in 2008 by Hawkes Marine and designed by Judel Vrolijk.

Owners comments:

She is Optimized for IRC and ORC International racing rules.

When we bought her important updates have been made in 2018 such as bulkhead, support lamination on the bottom hull, deck and keel zone, new carbon rigging, PBO forestay, a G-Foil and new bulb with a deeper keel of 3.52. She is in very good condition!

Certificates

IRC: 1.397 TCC (2023)

ORC: 437.3 GPH (2023)

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
