## **Description**

The SeaQuest 32 is a versatile and well-maintained sailing yacht designed by renowned naval architect Steven Jones. Built in 2008 by SeaQuest Yachts Ltd., this yacht combines excellent performance with modern comfort, making it ideal for both competitive sailing and leisurely cruising. With its sleek round-bilge hull, fractional rigging, and high-quality sails, the SeaQuest 32 offers an exhilarating experience on the water.

Inside, the spacious and light-filled interior accommodates up to 8 people, with three cabins and thoughtful features like a well-equipped galley, comfortable berths, and modern teak finishes.

Whether you're looking for a yacht to race or to explore coastal destinations with family and friends, the SeaQuest 32 stands out as a reliable and stylish choice. Professionally maintained and featuring recent upgrades, this yacht is ready to set sail for new adventures.

The SeaQuest 32 has been meticulously maintained with several key upgrades and renewals in recent years to ensure optimal performance and reliability. Highlights include:

## Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
