Description

Mumm 36 – Well-Maintained, Race-Ready, and Built to Perform Built by Cookson Boats | 3 Sail Sets | New Underwater Hull

This Mumm 36 is in excellent condition and fully ready for her next team to enjoy. Built by renowned yard Cookson Boats, she has been used for both club racing and sailing corporate events and sail clinics.

She has been meticulously maintained:

- In 2025, the deck and cockpit were professionally resprayed, with all deck fittings removed and reinstalled for a flawless finish. The hull was also resprayed.
- New anodes and fresh antifouling were applied in the same year.
- In 2020, the entire underwater hull was stripped of all previous antifouling and treated with a new high-performance system.

She comes with three full sets of sails, all carefully stored indoors at the end of the season, ensuring excellent condition and longevity.
