Description

J/112 Grand Prix 2022 Custom Version

- Model: J/112E Grand Prix (2022 custom version)
- Engine: VOLVO D1-30 Saildrive
- Retractable bowsprit
- The hull is currently wrapped, which can be removed. She has always been wrapped, so the hull is top notch condition
- Optimised keel & rudder (ORC 2023, Matteo Polli)
- Well-kept interior with high-quality finishes throughout. The owner has invested considerably in the yacht's maintenance and presentation, and the woodwork remains in excellent condition. Used for both racing and cruising, the vessel has benefited from careful ownership and continuous upkeep.

The yacht has been actively raced in local and international regattas throughout the Baltic region, including the ORC World Championship, ORC European Championship, Muhu Väina Regatta and the Latvian Championship.

The yacht incorporates performance modifications based on *Matilda 4* (EST-112), winner of the 2021 ORC World Championship and runner-up in 2023. The configuration includes a similar sail plan, keel and rudder package.

Despite being campaigned by a Corinthian (amateur) crew, the yacht has achieved numerous podium finishes and race victories in Latvian and regional regattas, demonstrating both competitive performance and ease of handling.

General

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
