Description

X-Yachts X-41 – Hull #16 (2007)

Beautiful **X-41** with white hull, build number 16, built in 2007. This yacht represents the perfect balance between high performance and comfortable cruising.

The interior features the standard layout with a bright salon, three cabins, and one head, offering both comfort and practicality.

Recent upgrades include:

- Keel modification designed by M. Polli (2023)
- Sail plan modification also designed by M. Polli (2023)
- Volvo Penta 29 kW engine, last serviced in spring 2025

This X-41 has been carefully maintained and thoughtfully updated to enhance performance while preserving the renowned X-Yachts build quality and sailing feel.

A great opportunity to acquire a fast, well-balanced, and race-proven yacht that's ready for her next adventure.

She is currently optimized for racing, with several comfort-related items temporarily removed to reduce weight and enhance performance. These include the cabin doors, cupboard doors, main salon table, and sofa backrests; all of which are safely stored and can be easily reinstalled if desired.

The yacht is presently configured for gennaker sailing, but all necessary components are included to convert back to a spinnaker setup if preferred.

Rigging

- Carbon mast (Nordic mast)
- Carbon boom (Nordic mast)
- Carbon bowsprit (extendable)
- Gennaker set
- Spinnaker set: Carbon pole, Spinnakers S2 (2), S4

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
