## General

Why choose between a high-performance racer and a comfortable family cruiser when you can have the best of both? The J/112E (where "E" stands for Elegance and Evolution) is the "magic size" 36-foot yacht designed to excel in all conditions, from casual summer cruises to the highest levels of offshore competition

Exceptional Handling: Designed with a V-shaped bow for stability and a dry deck, she offers a smooth, sea-kindly motion typically found in much larger 40-foot yachts.

- Short-Handed Excellence: The ergonomic cockpit and high-aspect sailplan make it easy to manage the boat with minimal crew, whether you are sprinting upwind or blasting downwind with the asymmetric spinnaker.
- Maneuverability: Highly responsive and easy to dock, making it as practical for a weekend getaway as it is for a cross-ocean passage.
- Ready to Win: Optimized for ORC/IRC racing by professionals.
- Family Ready: Spacious accommodations.

Perfect choice for ORC Championship 2026 in Klaip?da as the boat is already there.
