## **Description**

### **Jeanneau One Design 35 (JOD 35) by owner:**

The JOD 35 was the official one-design yacht of the *Tour de France à la Voile*. Designed for performance, strength, and versatility, this yacht is perfectly suited for cruising, coastal racing, and offshore competition.

One of its standout features is the large cockpit, which comfortably seats up to 8 people, making it ideal for both racing crews and relaxed sailing with friends or family. The boat sails beautifully short-handed (2 persons) as well as with a full crew of 7.

If you are looking for a fast, robust, and proven performance yacht on a relatively modest budget, the JOD 35 is hard to beat.

This JOD 35 has benefited from extensive upgrades and professional maintenance over the years. Both sailing performance and structural integrity are in absolute top condition. A proven racer that is equally enjoyable for cruising ready to sail or race immediately.

In short: the boat is in absolutely perfect condition, both technically and structurally. Ready for racing, cruising, or both.
