Description

Very Little Used ClubSwan 50 OD

This ClubSwan 50 is offered in fully equipped condition and has been professionally maintained throughout her life. The interior and equipment comply with the ClubSwan 50 ISAF Class Rules.

Professionally campaigned on the ClubSwan One Design circuit, she has proven herself as a highly competitive yacht, achieving strong results and multiple regatta successes during her racing career. Her track record reflects the outstanding performance and sailing qualities that have made the ClubSwan 50 one of the most respected one-design yachts of her generation.

Delivered in 2017, the yacht has seen very limited use in recent years, particularly since the Covid period. She has been carefully stored and maintained, resulting in a yacht with minimal recent wear and tear.

Offered with a comprehensive inventory, she presents an excellent opportunity for an owner seeking a proven ClubSwan 50 with a successful racing history and significant potential for future cruising or racing campaigns.

The yacht is available for inspection in Southern Europe.

General

Hull

Modern high-performance hull with a reverse bow, wide transom, pronounced chines, and twin rudders for excellent control at speed. Built entirely in pre-preg carbon, including the mast, boom, and fixed bowsprit, combining lightweight construction with structural strength.

- Hull colour Pantone 300C
- Durepox antifouling

Keel, rudder and helm

- Twin rudders spade type
- Two steering wheels
- Finkeel with weighted bulb (mostly built in high mod carbon)

Rigging

- Carbon mast with three spreaders Southern Spars, deck stepped
- Carbon boom Southern Spars
- EC6 Standing rigging

Accommodations

Designed for weekend sailing and fast cruising, the ClubSwan 50 combines comfort with racing practicality. The spacious saloon features twin sofas and an open layout, while the owner's cabin offers a double island berth and ample storage. A full galley, guest cabin, and separate shower and WC provide cruising comfort. For racing, the interior quickly converts with removable berths and additional crew accommodations. Lightweight, high-quality materials ensure durability, performance, and the refined finish synonymous with Swan yachts.

- 3 cabin layout
- Spacious saloon with twin sofas and an open view forward

The information and specifications provided for this vessel are given in good faith but are not guaranteed. Interested parties should satisfy themselves as to the accuracy of all details through inspection and/or survey.

- Double side mountings support the deck-stepped mast, creating unencumbered space for easy movement below deck.
- Large owner's cabin featuring a double island berth with ample locker space made from lightweight, removable components.
- Separate heads: one for the WC and one for the shower, both featuring washbasins.
- Double guest cabins positioned to port and one to starboard.
- Convertible layout for racing:
 - Forward berth can be removed to make room for sails.
 - Sofa backs can be raised to create four additional crew berths.
 - Use of refined, elegant materials that are lightweight and resistant, ensuring suitability for serious racing.
- Galley with equipment, topl loading fridge and bin and 2 burner stove never used
- Saloon and corridor cover

Plumbing

- Freshwatertank 240L
- Blackwatertank 40L
- plumbing spares

Deck and Cockpit

Versatile deck layout optimized for both racing and short-handed sailing. Six winches, including four electric helm winches, enable efficient sail handling and easy control with a reduced crew. A spacious cockpit, ample storage, and optional cruising features make the ClubSwan 50 equally suited for comfortable cruising.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
