Location:

Engine: Yanmar 4JH57 diesel

Description

This First 44 was delivered by BENETEAU at the end of May 2024 in Spain.

She is equipped with carbon mast, air conditioning, water ballast and leather upholstery.

The yacht has so far only been used in the western Mediterranean as an almost family cruiser with a small crew and/or for a total of 8 regatta events including delivery trips.

This is the fastest FIRST44-P worldwide, for more fun & safety, little used in the 2.5 years. Owner and boat captain maintained ... ideal for small crew and optional to occasionally win club- or medium long-distance-regattas.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
