Description

MAT1180 hull #5 2016

Boat has only raced twice this season due to other commitments by her owners.

She is now without stickers and ready to be transported and dismantled in a shed and stored since winter 2018/19. Keel, rudder and rig is off as is her commercial wrap in black. All maintenance is done by sailing pro´s and the yard is second to none when it comes to maintain race boats.

> **Currently full boat and equipment is serviced to be ready to race**

Construction

- Female hull and deck tools
- E-glass, carbon fiber, PVC core, epoxy vinylester resin
- Vacuum assisted resin infusion
- ISO 12215 structural regulations category A
- Gelcoat finish on hull, deck and internal structure
- Custom draft adjustement from 2500 mm to 2600 mm Replaced!
- International VC Tar2 epoxy base coat and VC Offshore Teflon antifouling for racing
- New 2017 2,9m keel and bulb design

Rigging

- Backstay: Harken 40.2 STP Self Tailing Performa instead of 35.2 STP
- Extra work at deck collar to accommodate 4.75" mast section
- Extra carbon internal structure for higher loads on mast and forestay (5 tons)
- One step up in chainplates for higher loads
- Carbon roller for take down
- Pontos 52 Jib and spinsheet upgrade for tremendous speed and take down
- Modified Vang system for easy handling aft
- Marstrom carbon rig, very light and super stiff.
- Halyard locks main, jib and code Facnor
- Marstrom carbon high aspect racing boom, 12,4 kg
- Running rigging: Constantly replaced and serviced by partner Happy Yachting. Grand Prix level

Sails

All North Sails. All sails serviced and stored at North Sails Stockholm. Very good condition.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.
During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht.We hope to see you soon online or in real life for a visit on the yacht of your dreams.
