Comment by the owner:

Well and beautiful built Racer –Cruiser built by the famous Dutch Saffier yachts Yard.

As she was built for the owner of Saffieryachts, a lot of attention has been paid to details.

The deck layout is super efficient and her cockpit is designed to use her Dual handed and full crew without any adjustments to the boat.

Famous for her striking black appearance, she has always sailed in the top 4 of all the International major IRC and ORC regattas such as Cowes week, Kielerwoche, North Sea regatta etc. over the past 7 years.

She has been kept in excellent condition by the yard and her owner, with a major refit overhaul in 2017.
