A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Description

One of the largest models in our innovative multihull series, the MC68 is designed with the performance cruiser in mind.

Offering a spacious interior, impressive sailing performance and long-range cruising capabilities, the MC68 has it all; style, comfort and safety.

At 68ft length overall, the MC68 offers increased interior volume, enhanced performance and impressive capabilities for spending long periods at sea.

The MC68's accommodation arrangement offers three guest cabins and one crew cabin as standard; a four-cabin layout (all en suite) or two variations of a five-cabin layout, which are ideal for a boat that will run with a live-aboard crew.

The MC68's wide saloon offers a versatile and spacious living area that, with large windows running the full length of the hulls and retractable glass doors to aft, is exceptionally light and provides fantastic views. The galley is arranged open-plan to this area, which creates an apartment-like feel, and is particularly well suited to socialising.

As with all McConaghy Multihulls, the MC68 has dual helm positions on the flybridge, allowing for the greatest sight lines forward as well as an elevated position that aids more difficult in-port manoeuvres. As standard, the flybridge features cushioned seating and twin helm stations aft, with the option to upgrade to an enlarged flybridge with a U-shaped bank of seating behind the helm stations, featuring a dining table and cushioned sun pads.

Interior styling comes from Design Unlimited, an award-winning studio with extensive experience in both large custom yachts and the production sector. Their attention to detail and innovative storage solutions allow living space to be maximised, with the client able to choose from an array of customisable options and a choice of three main interior colour schemes.

The MC68 benefits from a carefully considered use of carbon that sees her precise hull forms achieve an optimum strength to weight ratio. Under full sail, in a medium breeze, the MC68 points upwind with confidence, performing like a monohull. Off the breeze she will be simply exhilarating.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
