Description

Sail in a new way with the NEEL 65 EVOLUTION... A new and unique angle on cruise-oriented navigation, in "Sport-Chic" mode. The furniture design code, in a highly contemporary style using simple and refined materials. The saloon with its sleek lines, enjoys a wide panoramic view.

All the strong points of the NEEL trimarans have been retained: safety, easy centralized maneuvering, comfort at sea, steering fineness, performance, single-level living, owner suite on main deck with panoramic view, centered weights in the mainhull basement.

In addition, there is a huge Cockloot®, (trademark by Neel-Trimarans), this is the successful marriage of Cockpit and Saloon).

NEEL TRIMARANS combines these two spaces in perfect harmony to create a place to live half-inside and half-outdoors.

Forwards the cockloot, a comfortable living room facing the sea optimizes the main deck lay-out. On this level, a spacious kitchen and the large navigation chart table.

All together offers an exceptional 360 ° panorama.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
