 - and the list goes on.....

GENERAL INFO

First launched in 2003, the Shipman 50 is a singlehanded high-performance pilothouse offshore cruiser developed by Joergen Bonde, the Danish owner of Shipman Yachts, and Jernej and Japac Jakopin of Slovenian J&J Design/Seaway. The carbon/epoxy prepreg technology was generously transferred by Bill Green of Green Marine in Lymington (UK), and the materials engineering and supply came from Giovanni Belgrano of SP Systems in Cowes (UK).

- Built by Seaways marine in carbon-expoxy prepreg technology.
- Flag: Austria
- VAT paid
- Hull Identification: DLZ10644D305
- Full NDT check 2021

The Shipman 50 was awarded European Yacht of the year by the European sailing magazines in 2004.

Viewing Arrangements

Due to the corona crisis and the varying locations of our yachts, we offer viewings of yachts for sale anywhere in the world from the comfort of your own home. From live walk-throughs using tools such as WhatsApp, Facetime or Zoom you can literally zoom in to every corner and check out every detail of the decklayout, interior configuration, rig and the engine room.

During these guided tours, together with one of our brokers there is the opportunity to ask our brokers all questions you have as when you make a real-life visit.

Together with our specifications, this package will give you a realistic impression of the volume, layout and condition of the yacht and equipment.

After an online guided tour together with the package of information at hand, you can decide if you like to see the yacht, or wish to send a surveyor to check the yacht. We hope to see you soon online or in real life for a visit on the yacht of your dreams.
